Annual Texas Academy of Nutrition and Dietetics Leadership Retreat

The Texas Academy Leadership Retreat is held annually every summer. The retreat gathers all of the leaders across the state including the Board of Directors, the public policy team, the state media representatives, region leadership as well as committee chairs, members and task forces.

Sponsorship at the Leadership Retreat allows your business to communicate with and talk to the dietetic leaders in the state that represent a cross section of more than 4,000 members both geographically and by area of practice.

Texas Academy Region Events

The Texas Academy is divided into 5 regions throughout the state: North, Northeast, South, Southeast and West. Each region has a full leadership team and hosts an annual one-day seminar, as well as a variety of educational and networking events throughout the year.

The design of the regions is to allow more members to be involved in professional events in their specific area. As a sponsor of region seminars and/or events, you have the ability to target your message and marketing to certain geographic areas. Regions offer an opportunity to fine-tune who you are speaking to across the state. Sponsors can also choose to work with the Texas Academy to host events for certain dietetic populations.

Marketing and Advertising

The Texas Academy offers a variety of ways to market and advertise to members outside of events. From sponsored webinars, to e-blasts and newsletter mentions, we can help you get the word out about your products, services and/or company. Texas dietitians, students and interns are not only very involved in state and region events, but they always interested in and looking for new, innovative ways and products to enhance their practice and jobs.
